

Hey there, I'm Mohamed Abdel Aziz.

Digital product designer with a focus on **User Research, User Experience Design, User Interface Design, Prototyping**, and **Design system**.

Particularly interested in working with cross-functional teams to deliver effective solutions to meaningful problems.

Trained in **design sprint** and **agile** processes.

I build digital products and help businesses to build theirs.

Experience

I have over 7 years of experience.

▼ **Motorgy**
